Chula Vista Police Department

CONCERNING CRIME TREND

Orbeez TikTok Challenge / "Senior Assassin" Prank

The Chula Vista Police Department is aware of a social media trend involving the shooting of random victims with BB guns, airsoft guns, SplatRBall, or Orbeez guns. These toy guns shoot a projectile propelled by air pressure, gas pressure, or spring action. These projectiles can be made of hard plastic, metal, or gel filled.

The Orbeez TikTok Challenge started with subjects shooting victims with the gel-filled projectiles, however, police have seen the incident morph into traditional airsoft guns or BB guns. Luckily, the incidents that have been reported to police have included minor injury. But with the nature of these "challenges," victims could be seriously hurt with an ill-placed shot.

Depending on the "gun" used and injury to the victims, perpetrators of this challenge could be charged with a felony crime when arrested by police. There have already been several arrests made by the Chula Vista Police Department.

Furthermore, some of the "guns" used in these incidents look very similar to real firearms. There have been documented crime reports where some participating in the challenge pointed a replica firearm at someone, who in response brandished a real firearm. Additionally, some of these incidents have resulted in traffic accidents with serious injuries. This could be very dangerous for everyone involved.

The Chula Vista Police Department would like to discourage anyone from participating in this event or anything similar. Bringing ANY of these devices onto a school campus is a crime.

Parents, please remind your children that using airsoft guns, BB guns, or replica mock guns of any kind to shoot Orbeez gels, fake bullets, or projectiles at the public can result in criminal charges and/or serious injury.

Additional Comments:	TikTok Challenge: A new social media trend has gained popularity involving the use of Orbeez (gel pellets) inserted into a toy gel-ball gun or airsoft gun. Tiktok users are recording themselves shooting at unknowing citizens with the orbeez pellets. One incident in the state of Georgia individuals were able to modify the gel pellets and shot at a juvenile riding a bicycle causing visible injuries.

[redacted] MAYORAL DEBATE DISRUPTION ROUND 2
Last night - they shut down the debate the second that these criminalization candidates were forced to face the Unhoused people who they regularly demonize, sweep, and harm. We attended this debate as a citywide coalition of Unhoused people and advocates to give a voice to the people.
This debate claimed to be a "dialogue on homelessness" – failed to include a single Unhoused person, instead providing an uncritical platform for these politicians to peddle false narratives, fearmongering, and dehumanization without pushback.

Additional Comments:	Los Angeles, CA: Several local activists interrupted a LA Mayoral Candidate discussion at a local synagogue by heckling. This is the second time a local activist group appears to have organized an interruption to an event. During the first mayoral debate an activist had rushed the stage where several mayoral candidates were. A central topic to the mayoral race is the homeless issue, the local activists group disagree with many of the candidate's stances on how to address the issue. The activist's groups appear to organize these events were also involved in protests at Echo Park. As the mayoral race continues, interruptions and possible protests may continue.

We call on the entire LA community to join the Ukrainian-American diaspora Sunday, March 27 , at 2:00 pm to STOP BLOODSHED in Ukraine!
Ukrainian people are currently under horrific war attack from Russia. We DEMAND of the Biden administration the following:
1. Close the Sky over Ukraine #CloseTheSky
2. Immediately provide military aid to Ukraine, especially the air defense systems and the heavy weaponry, as well as financial and humanitarian aid.
3. Isolate Russia in all possible formats on the world stage.
DO NOT STAND ASIDE! GLOBAL DEMOCRACY AND SECURITY ARE AT STAKE!
Please bring Ukrainian flags and anti-war posters.
